The MA Educational Leadership is designed for professionals who want to enhance their careers through exploring the leadership of learning in their own context. We will encourage students to challenge traditional notions of 'leaders' and 'leadership' and explore relational, collaborative and democratic leadership models. The programme aims to equip students with the necessary knowledge, skills

[The educational leadership model / Leading from the middle ...](#)

The educational leadership model (ELM) sets out the qualities, knowledge, and skills that middle and senior educational leaders need to lead their schools in the

twenty-first century. This model shows that relationships are at the core of school leadership and that leadership always operates within a specific context. It also identifies areas of practice, leadership activities, and the
