[The Holocaust - Wikipedia](#)

The Holocaust, also referred to as the Shoah, was a genocide during World War II in which Nazi Germany, aided by its collaborators, systematically murdered some six million European Jews, around two-thirds of the Jewish population of Europe, between 1941 and 1945.

"I'm trying to explain how the Holocaust could happen," Goldhagen said during a brief visit to South Florida last week. "I'm making the unremarkable claim that the perpetrators were like the killers in other genocides. They did different things and the victims were different, but they were essentially all willing participants."
