Mailing List Archive: Question: Sharing an IP-connection

Hi, this may not be an IPv6-operator-, but a user-problem.

This question is only related to IPv6, no thoughts about IPv4/NAT and so on. (ipv6 only)

The impact of distributional metrics in the quality of ...

This work analyses the benefits of applying metrics based on the occurrence of words and their neighbourhoods in documents to a set of relational triples automatically extracted from corpora. In our experimentation, we start by using a simple system.

Cover Pages: SGML and XML News - 1999 Q2

This document contains information relevant to 'SGML and XML News - 1999 Q2' and is part of the Cover Pages resource. The Cover Pages is a comprehensive Web-accessible reference collection supporting the SGML/XML family of (meta) markup language standards and their application. The principal objective in this public access knowledgebase is to
