Slavery, Race and Ideology in the United States of America

The paroxysm of racial violence that convulsed the South during the years after emancipation, and the ever more detailed legal codification of racial proscription, represent the nationalization of race, an ideology that described the bourgeois North much better than it did the slave South.

Slavery, Race and Ideology in the United States of America

racial ideology in the United States. Unfortunately, so do historians. Unfortunately, so do historians and other academic specialists, who vitally need to take a distance.
